University and Community Engagement *TADEO*
Telecommunication & Distance Education Operation

We have Polycom Viewstation 128k-384k running over IP/ISDN. Please forward us information about your connection hardware and the best time to schedule a test. In addition, we can accommodate about 13-25 people in our conference rooms. We have PPT and visualizer service over VTC. We use speakerphone (voice) as backup.

Definitions: Leased Line refers to the monthly recurring circuit lease with provider.
 Circuit cost refers to the 'per minute' charges.

ISDN CONNECTION (solid private connection)

128k: Primary: (671) 734-0918, Secondary: (671) 734-0921 (We use bonded 128 Kb/s H.320 protocol)

For information on 256K, 384k and/or our PEACESAT Micronesian video services, please call our office.
